SOUL2SOUL AND EVIDENTIAL PRODUCTIONS RECEIVE NATIONALLY RECOGNIZED TELLY AWARD FOR MUSIC CONCERT, SOUL2SOUL HONORS 2005

NASHVILLE, TN—February 28, 2006— SOUL2SOUL INTERNATIONAL AND EVIDENTIAL PRODUCTIONS have been recognized with a Bronze Telly Award in the category of “Music Concert” from the 27th annual Telly Awards competition. The award was presented in recognition of Soul2Soul Honors 2005, ironically, a concert and awards event in its own right.

The Soul2Soul Honors 2005 television special features artists Jaci Velasquez, Newsong, Out of Eden, Randy Stonehill, Bryan Duncan, Larnelle Harris, and Petra, who were honored in August for their long-standing endowments to Christian music and ministry. The event was taped before a live audience for national television broadcast, and has received distinction from out of 12,500 entries submitted for consideration by the Tellys.

“We are thrilled and humbled to receive this recognition,” said Soul2Soul Honors executive producer, Mike Becht. “We set out to glorify God and honor some of His faithful servants with an evening of class and excellence. It’s exciting that the video program taped to honor the artists has been lauded with its own prestigious award.”

With a twenty-seven year history, the Tellys are among the most sought-after media industry awards. Entries compete against a very high standard of excellence and judges evaluate entries to recognize distinction in creative work. Past recipients include CBN’s “Living the Life” program, Sinclair Broadcasting Group, North American Missions Board, and FamilyNet.

Soul2Soul Honors 2006 will take place in Louisville, Kentucky on August 25th with this year’s honorees being announced later in the Spring. "It's great to be honored with such an award as this," said Soul2Soul Honors video director, Billy Brown. “I want to thank everyone who worked hard to make this project a success.”
